February 2013 Newsletter

Meeting: Monday, February 11th, 2013
Time: 6:45 p.m.
Location: St. Anthony Park Lutheran Church
2323 Como Ave
St. Paul, MN

February Program - Hyperbolic Tatting

Bring thread, tatting shuttle. Wind shuttle and leave attached to ball.

Handouts (instructions) are \$2

Things to keep in mind:

1. We will hold a garage sale at our April meeting. You price your items and you keep all the proceeds. Anything remaining will be donated to the Textile Center for the garage sale on April 13, 2013.
2. We need volunteers for the offices of vice president and treasurer. Each is a two year term. The election is in May. Nominations must be received by April.
Vice President - Work with the President to meet the goals of the Society. Work with inter-group (outside Minnesota Lace Society) contacts for the Society's benefit. To fill in for the President as needed.
Treasurer - To handle all monetary transactions. Insure budget appropriations are adhered to by officers and designated members. Make recommendations of budget adjustments to Executive Board. The Treasurer shall prepare a financial summary at the end of the fiscal year. Maintain a list of members in good standing.
3. Spring Friendship Exchange at our May meeting. Make something in/of hand-made lace to exchange in May. Bookmarks, seasonal ornament, coaster size mat, some lacy doo-dad, all are appreciated.

There is still time to sign up for the Spring Retreat, March 15-17, 2013! See the registration form below. The needleworkers have again invited us to join them at the Miracle Lodge, <http://www.miraclelodge.com/>, an accessible retreat center outside of Stewartville, MN, about 15 miles SW of Rochester, MN. Meals are included, snacking is encouraged! All linens & bedding is provided. You bring yourself, weekend wardrobe, and too many projects for the amount of time. Many of the needleworkers will be quilting with shareable cutting and pressing areas, others will be smocking, still others will be working on various embroidery projects. Knitting, crocheting, spinning, perhaps weaving will also be present. From our members you can expect various lace techniques. When you need a break, there is an on-going jig-saw puzzle in progress and perhaps a board game to join. I do not know if the riding stable will be available the weekend we are there this year. There are many trails for walking if you wish. One or more groups will make a trip into Stewartville for the quilt shop and to the Rochester Hobby Lobby and yarn store. You can do as little or as much as you wish. You will want to arrange for roommates as you sign up, if possible. I hope to see you there.
