## July - Summer Get Together

Monday, July 8, 2013, starting at 6:30 p.m. we will have a potluck. Please bring something to share. What a fun way to visit with friends.

Thank you Lori for sharing your beautiful antique collar. This collar is handmade bobbin lace.

President's Challenge 2013 for our September meeting: This one is sneaky! I am asking you to enter one or more lace pieces in your local fairs, county and state. Your pieces are one more way to remind people that lace is still being made by hand today and a nice way to support the fair. Please bring your fair entries to our September meeting with any ribbons and judge's comments you may have received. Below are links to area fair sites. You can find exhibit and entrance information here, including the entrance dates (which will be earlier than the start of the fair!). The metro area counties allow any area resident to enter (so we can enter ALL of these if we wanted).

Lynn has provided the group with a new project. This is the information.  
Philanthropic Project for 2013-2014: Lynn has proposed we support the Angel Project that helps patients with any kind of cancer. As they can, they help cover incidental expenses, mortgages, etc. Their biggest fundraisers are in October and January. The October event has a fashion show theme. Perhaps we can create an angel like shawl, perhaps in pieces, of various techniques?

Lynn is looking for volunteers to give programs on lace next year.

FYI – Diane Willett, knitting editor for the IOLI Bulletin has completed an article concerning a knitted baby bonnet she borrowed from the Lois' Collection at Convention last year. She has figured out and shares the pattern. It should appear in the next Bulletin. Diane is working on a follow-up article for the Bulletin after that. Lois graciously lent Diane the baby bonnet after convention for this purpose. IOLI members can be on the lookout for this article. It credits MLS for lending her the bonnet and mentions Lois.

## Crochet

We have been admiring the crocheted butterflies that Jerry has been making. While looking for something else, I came across this site that has a similar pattern available as well as others for free! [http://crochetdoilies.com/crochet\\_patterns.html](http://crochetdoilies.com/crochet_patterns.html)

Another link of interest to crocheters, we have a local chapter of the Crochet Guild of America in Minneapolis-St. Paul: <http://crochettwincities.blogspot.com/>. Their meetings are in a church just two or three blocks from the Textile Center of Minnesota.

## Netting

A photo was found of a baby in a netted gown while investigating the Netting form of lacemaking, since it was mentioned that nets were not lace at one of our meetings. This is from a Brazilian website, showing pictures of netting attached or forming clothing under the tab: **Produtos**. The website is: [www.rendaturca.com.br/](http://www.rendaturca.com.br/)
