Demonstrating Opportunity

Lee Ann Larson is looking for someone to volunteer demonstrating making lace at their LeSueur County Pioneer Power show Aug. 22, 23, 24, 2014 in the ladies building. It could be for 3-4 hours each day and they will pay for your lunch each day. It is a very busy organization and their building in particular is fun and lots to see. See their website pictures "LeSueur County Pioneer Power Association". You would be given an 8 X 10 booth and you can sell. Please consider or call her for questions, Lee Ann 507 382-9255

If you are involved with anything that is lace related, such as demoing, teaching, mentoring, etc, let Michele know and she will put it in the newsletter. Let everyone know what you are doing this summer.

Steele County Historical Society's Annual Extravaganza

Susan took her bobbin lace pillow and had fun demonstrating in the gazebo beside a basket maker. This is SCHS's major fundraiser in their Village of Yesteryear. Many people of all ages were interested in her Idrija leaf project. The basket maker wants to learn how to do bobbin lace in September too.

This is one of the projects that Susan worked on.
