March Meeting

Meeting, Monday, March 10th, 6:45pm.

Elections in May! President and Secretary are up for election this year. If you are interested in either office, please see or contact any board member. More details can be found in our by-laws, posted under the member area of our website.

There will be a board meeting in April prior to our regular meeting. The board will meet at the church, 5:30pm, Monday, April 7th.

Plan ahead for our May meeting! Pot luck! Lace Exchange! Elections! and our garage sale! We have held our sale in April the last few years because it was just before the Textile Center's sale. This year our schedules do not mesh so we are holding ours in May for 2014. Bring any lace related materials/supplies or craft related stuff. You price it, you collect the money. MLS just offers shoppers. If you have a larger or higher priced item, please let us know for the newsletter in advance, allowing shoppers to be prepared for your fabulous item(s)!

March Program

The March educational program is on the Irish Needlelaces of Carrickmacross and Limerick. This is an encore presentation of the program from 2002 and will feature laces from the collection of Lois Markus.

Events

Winter Retreat & impromptu lace workshops:

Betty has not heard back from Laurie Pekarik. When they last spoke, Laurie was going to confirm with the camp people that the lower level of the Lodge was available or maybe the conference/meeting level on the upper level. We can certainly work in the shard spaced is a quitter space is not available. There was still room to sign up as of February 11th. It isn't to late! See the February newsletter for details. Older newsletters are available on the website. www.minnlacesociety.org

Dates for the Retreat are March 14-16, 2014, location: <http://www.ironwoodsprings.com/> and our building: <http://miraclelodge.com/>
