Membership Renewal Month

September was membership renewal month! Please fill out a fresh membership form to simplify: updating your information, allowing the treasurer & secretary to have correct contacts, and granting YOU appropriate access to the Textile Center of Minnesota's library! Thank you very much!

The following information will be put on the list that will be given to the Textile Center. The Textile Center will use this information just like any other public library to contact an individual that has overdue material checked out.

Name

Address

Phone Number

We have added a section to the renewal form that everyone fills out each September that will state if you want to opt out otherwise your information will be given to the Textile Center.

2015/2016 Elections

Program –

If you are interested in the program position, please let Betty know.

THANK YOU LOIS!

Thank you Lois for all the wonderful lace items you donated to the members of MLS. There was much oohing & aahing as the lace pieces were admired. Also thank you Lynn for all your hard work getting this organized for us.

Round Robin Exchange

If you are still working on a round robin exchange piece, when you're finished with your section, bring it to the next meeting, so it can be passed on to the next person. Pam will be at the meetings to take the picture for the website. If you are unable to attend & will be mailing your piece on, please take a picture & send it to Pam, so she can post it on our website.

Library

The Library has books, magazines and other library media materials from 16 different Member Organizations. As a member of one of the Library Member Guilds, you can check out any of the materials in the collection.

Check Out Policy

Materials must be checked out in person, using your library card patron ID. If you don't have your library card patron ID number with you, just show an ID and the librarian can look up the number for you.

Lace Web Sites

This is from Betty:

<http://www.kloepshop.de/en/Free-Pattern/> The September pattern (available until the end of October) is a sweet little bird in bobbin lace. I've saved a copy for myself to make someday.... The German text that is included says "all rights reserved, blah, blah, blah, permission granted to copy for personal use". Details of actually making the lace are left as an exercise for the lacemaker.

If there is anything that you are interested in or have questions about that would be a good program, let Betty know.

If you are involved with anything that is lace related, such as demoing, teaching, mentoring, etc, let Michele know and she will put it in the newsletter. Let everyone know what you are doing to promote these wonderful crafts.

If there are websites with free patterns for the type of lace that you like, please let Michele know so that she can look at these sites to get patterns for this newsletter.
