Programs:

Potluck and Spring ornament exchange

Reminder the meeting starts earlier than usual - **6:30 pm**

Officers Needed

We need to replace some officers due to our by-laws limitations on consecutive terms. The positions that we need people to take over are Vice President and Secretary.

Contact Sue or Michele if you have questions about the duties, and for sure let Rhonda know if you're interested in either position. Voting would be at the May meeting.

President's Challenge

Remember: this was to create something that hangs for the spring lace exchange in May.

Nancy Evans Event

The April 21 presentation by Nancy Evans regarding her journey in lace was interesting and reasonably well-attended. She has led a fascinating life and told us events and activities which she said her own grown children and grandchildren did not know until she was pulling together your remarks.

The April 22 and 23 needle lace workshop with Nancy Evans seemed to go well. If you attended, please send back whatever comments or suggestions you have on the

questionnaire which was emailed to you. The education planners appreciate your feedback and it is okay to answer questions for only those areas in which you want to share your thoughts. Thank you to everyone who pitched in to help with organizing, providing support and who made for an enjoyable learning atmosphere. Our thanks to Celtic Junction for providing a laid-back venue with Irish music playing in the back ground. A special thanks from Lynn to Nancy for hosting our guest teacher for the better part of the 6 days she was in town.

Textile Center Event

Thank you for being a great friend and ambassador for Textile Center —a real supporter of our mission. I'd like to invite your guild to participate in a new way with us—by being a Table Captain at our upcoming fundraising breakfast, "Creating the Ties that Bind."

The goal of this event is to and to spread our message in the community. We want people to come and learn out about new programs and the great work we do at Textile Center . Please note:

- The event is free and the program will only be 45 minutes long.
- There is no requirement that anyone give money at the event.
- We want to inspire people so that they will want to give.
- It will make you proud to be involved with Textile Center .
- Any funds we raise will support all the Center's activities.

Each Guild Table Captain is asked to fill a table of 8 people by inviting them personally. Invite friends, guild members, co-workers, family, neighbors. Your job is to get them to attend. You do not have to ask anyone for money.

Lois Markus Exhibit

The Wisconsin Museum of Quilts & Fiber Arts has replied to our inquiry on the Lois Markus lace collection. Lynn and Nancy followed-up by repeating our group's offer to arrange for lace demonstrators, assist with publicity at our web site and at IOLI's site, or other suggestions they have. If they respond, we will offer updates at the March meeting.

The director says:

The exhibit is titled Lace: Works of Adornment and will feature many of the pieces from the Lois Markus Lace Collection, as well as pieces/lace making equipment donated by a few others (including other members of the Minnesota Lace Society). We are very excited about it!

The exhibit will run from Thursday, July 13 through Sunday, December 3, 2017.

Bobbin Lace Classes

Kelly Marshall will be teaching bobbin lace from her weaving studio. If you talk with anyone interested in learning, she asks that you get an email address from them and send it on to her at kelly@kellymarshall.com.

If there is anything that you are interested in or have questions about that would be a good program, let Rhonda.
